

**REMARKS**

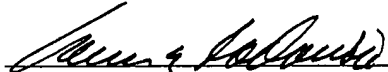

The brief description of the drawings have been amended on page 8 of the specification to conform that description to the detailed description of the invention set forth in the specification, starting at page 8, line 30.

Enclosed are substitute sheets 1 to 5 of the drawings which set forth the English translations of the German terms appearing in Figs. 1, 3, 4A and 4B. Also, the lettering for Figs. 2A, 2B, 4A and 4B have been capitalized. Entry is believed in order as no new matter has been introduced.

Respectfully submitted,

DYKEMA GOSSETT PLLC
